Title FORMATION OF COLLEGE STUDENT ASSOCIATIONS	Number 308	Page 1
	Date 11/23/83	

PURPOSE

Vermont State Colleges believes that the quality of student life is enhanced when students form college-wide organizations through which they can initiate and/or participate in a wide variety of college related activities. Further, the Vermont State Colleges Student Association can function more effectively when there are college student associations to assist at the college.

Accordingly, students of the Vermont State Colleges are encouraged to form a college student association.

STATEMENT OF POLICY
