8. What if a reporter is not sure whether something he or she has seen or heard is a violation of VSC policy or involves unethical conduct?

If in doubt, file a report. EthicsPoint can help a reporter to prepare a report so it can be properly understood. The VSC would prefer that a situation that turns out to be harmless be reported rather than let possible unethical behavior go unchecked. Reporters may have useful knowledge of an activity that could be a cause for concern. Early reporting may minimize the potential negative impact of the suspected activity on the VSC, its students, and employees.

9. What happens after a report has been filed with the EthicsPoint hotline?

Typically, a reporter will receive confirmation within 3 business days that the Office of the Chancellor has received the report and that it will be reviewed. Then the Office of the Chancellor will make a preliminary evaluation of the report. If further investigation is merited, the Office of the Chancellor will appoint an investigator or, if appropriate, refer the report to a member institution for further handling. As circumstances warrant and as the law permits, the reporter may be informed whether an investigation is being undertaken and may be informed as to the final outcome.
