

Policy Regarding Externally Funded Research

Individuals conducting research with external funds are required to comply with the

1. Financial Conflict of Interest in Research: To promote objectivity in research and to ensure, to the extent possible, that the design, conduct, or reporting of research is not compromised by a researcher's financial conflicts of interest, the VSC with externally funded research. These steps are outlined in the procedures.

2. Research Standards: To ensure that research undertaken at its institutions is conducted in an objective and ethical manner, the VSC has established research standards that

comply with federal regulations pertaining to responsible and ethical conduct of research, research on human subjects, and research involving animals.
